ORTHODONTICS

## AcceleDent®

Charlotte Dentistry is pleased to now offer **AcceleDent Aura** to our patients who want to save time and enjoy up to 50% faster orthodontics treatment. Many patients who opt for AcceleDent Aura also report less discomfort as compared to treatment with traditional braces alone. AcceleDent Aura can help you complete your orthodontics treatment much faster – and 20 minutes a day is all it takes. Its safe, gentle and speedy!

Want to learn more about AcceleDent, including costs, expected timelines and to see if you are a good candidate? You can either [contact us](#) with questions or [schedule an appointment](#).

And in the meantime, [checkout this brochure](#) to learn a bit more about how it works.
