Heather R. Dowlin, DMD

Dr. Heather Dowlin loves her job! She loves to be able to help people understand their dental needs and ease common dental fears. With her gentle chair side manner, patients can be comfortable during their treatment. Dr. Dowlin has a passion for cosmetic dentistry, restoring dental implants and treating children. She was voted as one of Charlotte's Top Dentists in the Charlotte Magazine!

Growing up in Downingtown, PA, Dr. Dowlin combined her love of art and the positive influence from her dentist and orthodontist into a career in dentistry. She had a strong work ethic in school and excelled in sports. Dr. Dowlin was an All-American field hockey player at Shippensburg University and after graduation continued on to Temple University School of Dentistry.

During her years at Temple she received the Pierre-Fauchard Leadership Award and was actively involved in student government. Dr. Dowlin served on a mission trip to Haiti which provided dental care to the poverty stricken areas. She is an active participant and dedicates many hours to continuing education groups to advance her practice in dentistry. She

also volunteers in the community with North Carolina Missions of Mercy to help families in need of dental care.

When Dr. Dowlin is not in the office, she loves to go running and has participated in several Thunder Road Half Marathons and also two full marathons. She thoroughly enjoys her children's activities and spending time with family and friends.
