

Jonathan D. Eshleman, DDS

Jonathan D. Eshleman, DDS

Dr. Jonathan Eshleman grew up in Raleigh, North Carolina, the oldest of 3 children and the son of an engineer. He was drawn to a career in healthcare as early as 1st grade. This, along with a love of working with his hands and a desire to serve people, made dentistry a perfect career choice.

Dr. Eshleman completed his undergraduate studies at the University of North Carolina at Chapel Hill, majoring in economics. He went on to dental school at UNC and received his Doctor of Dental Surgery. After graduating in 1995, he moved to Charlotte with his wife Kristen and began working for Charlotte Dentistry. Now a partner, Dr. Eshleman has been serving patients at Charlotte Dentistry for over 20 years.

With a sincere compassion for his patients and a passion for quality care, Dr. Eshleman takes seriously his call to serve his patients and considers it a vital part of his relationship with God. Quiet and thoughtful, he brings a calming spirit to the patients he serves. He is inspired by Paul's charge to the Thessalonians: *"Now concerning brotherly love you have no need for anyone to write to you, for you yourselves have been taught by God to love one another ... But we urge you, brothers, to do this more and more, and to aspire to live quietly, and to mind your own affairs, and to work with your hands, as we instructed you, so that you may walk properly before outsiders. . ."* (1 Thes 4:9-12). Together with the team at Charlotte Dentistry, it is Dr. Eshleman's heart's desire that patients feel served, cared for, and welcomed as honored guests.

Outside of work, Dr. Eshleman loves spending time with his wife of 20+ years and three children. He serves as a volunteer in the worship ministry at Church at Charlotte and is on the Board of Trustees at Charlotte Christian School. He enjoys acoustic guitar, photography, grilling out and running. His family loves to vacation on the NC beaches and spend time together riding bikes, swimming, kayaking and playing games.

Professional memberships include the American Dental Association, the North Carolina Dental Society, the Charlotte Dental Society, and the American Academy of Cosmetic Dentistry. He also participates in a local implant study club.
